Dormer Cottage - Sleeps 2

This quaint and beautiful cottage, located in the heart of the village, is some 500 years old. Dormer offers a wealth of enchanting features, including exposed wooden beams that cross the living room and a welcoming open fireplace with a log burner. The slate flooring, Stephani rugs, burnt orange silk wallpaper and gorgeous curtains add a contemporary elegance to this most historic of properties.

From its chef's knives to Le Creuset cookware, the kitchen is a true cook's domain. Beyond, you find a decked seating area and pretty little garden with its cascading water feature, beautifully lit in the evening.

All modern amenities including a B & O television, WiFi and music centre are included.
