Twinkle All the Way

There's something special about gathering together on a crisp winter evening, wrapped up warm and watching as festive lights brighten the night sky. For many, a Christmas lights switch-on marks the start of the season and brings communities together to celebrate.

Across the Royal Borough of Windsor & Maidenhead, towns and villages will be illuminated with seasonal displays, accompanied by live entertainment, music and plenty of festive cheer. From the Christmas tree outside Windsor Castle to celebrations in Maidenhead town centre and beyond, each event has its own character and atmosphere.

Use our guide below to discover this year's Christmas lights switch-ons across the borough. Whether you're looking for family activities, traditional carol singing or simply a chance to enjoy the festive atmosphere, these events offer a welcome way to begin the countdown to Christmas.

12 NOV | 5PM | JUBILEE SQUARE AND ETON COLLEGE CHAPEL, ETON HIGH STREET

Eton Christmas Lights Switch-on

On 12 November, celebrate the start of the festive season at Eton's annual Christmas lights switch-on. Combining music, seasonal entertainment and a visit from Father Christmas, this much-loved event brings the community together in the heart of historic Eton.

Begin the evening with Eton College's Carol Concert, before following Father Christmas and his reindeer along Eton High Street to Jubilee Square for the official lights switch-on, hosted by panto star Kevin Cruise. As the countdown begins and festive music fills the air, watch as Eton's Christmas lights illuminate the town centre.

After the switch-on, take time to explore Eton's shops, cafés, pubs and restaurants, as well as the seasonal street stalls offering festive food, drinks and gifts. Enjoy a warming mulled wine, sample locally brewed beers from Windsor & Eton Brewery, or pick up a bag of roasted chestnuts as you soak up the atmosphere.

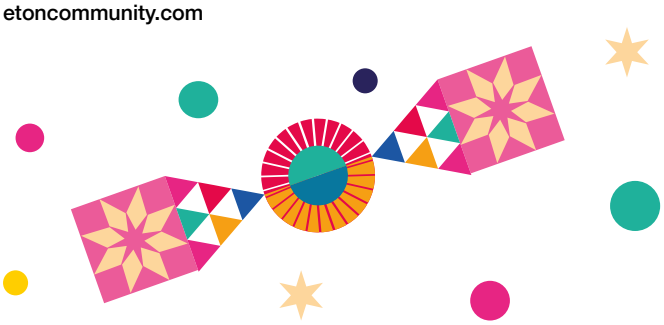

There will also be family-friendly attractions, children's rides and opportunities for young visitors to meet Father Christmas and share their Christmas wish lists.

Tickets for the Carol Concert cost £5 and are available from the Eton Information Centre or you can join Kevin Cruise in Jubilee Square from 6pm.

See choirs, dancing and bands play and sing along at Jubilee Square.

Don't miss this popular festive evening in one of the borough's most historic settings.

11 DEC | 6.15PM TO 7.30PM | CASTLE HILL, WINDSOR

Carols On The Hill

Now in its 77th year, Carols On The Hill is a wonderful evening for the whole family! The precedent for this much-loved open-air Christmas service stretches back to December 1949 when a Christmas tree was erected and illuminated for the first time near the Queen Victoria Statue, providing a charming focal point for Windsor & Eton Rotary Club and Inner Wheel's efforts to gather and distribute hundreds of gifts for children in various hospitals.

Shortly before Christmas Eve, a group of Rotary Club singers gathered round the tree to sing hymns and carols alongside a large audience which included The Mayor, thus laying foundations of a tradition which has continued largely unbroken throughout the intervening decades.

The event includes a collection for two local charities – Emerge Advocacy and St Vincent de Paul Christmas Lunch Project – and will feature musical support from The Band of The Household Cavalry.

2. Feed the Swans on the River Thames

Enjoy a riverside walk by the Thames as it meanders, between Hurley and Runnymede, through the beautiful Royal Borough, past picturesque villages such as Cookham and Bray. Walk along the promenade on the Windsor side of the river or cross over the pedestrian bridge for a view back to Windsor from the greenery of Eton Brocas.
