Restaurant layout:

Max covers: up to 24 in upstairs function room.

Table arrangements: all 4s and 8s as space quite tightly packed.

Property layout:

Split between two floors with limited space. Very tight, narrow staircase up to upper level. Once up there, the stunning, charming room enjoys spectacular views over Windsor Castle offering huge interest and appeal to visitors.

Accessibility:

Steps: yes.

Staircases: really narrow, and have to manoeuvre behind bar to access.

WCs: one upstairs for the group area, but small and tricky.

Doors: all quite difficult to navigate but feel really quaint, historic and authentic.
