EQUESTRIAN EXPERIENCES

With two royal racecourses, where better to enjoy an equestrian experience?

Royal Ascot sits proudly as the jewel in the crown of the British social season. Your clients can enjoy racing, style, fine dining and pageantry. Monday night racing at **Royal Windsor Racecourse** (Apr-Oct) is a fantastic evening experience to add to an itinerary. Or for those looking for a more active day out, another royal experience is Polo. **Guards Polo Academy**, Ascot, offers groups and individuals an introduction to polo, from theory to practice – hit a polo ball and ride a horse, no experience necessary. Individuals or small groups can go riding with **Wayside Stables** in Windsor Great Park, or enjoy a scenic horse-drawn carriage tour with **Ascot Carriages** or **Windsor Carriages**.
