## SAVOUR THE MOMENT

[windsorroyalstation.co.uk](http://windsorroyalstation.co.uk)

## Discover Windsor & Eton with a Self-guided Walking Trail

THE QUEEN'S WALKWAY is 6.373km (approximately 4 miles) long and connects 63 of Windsor's most significant attractions. Designed by The Outdoor Trust, in partnership with local people, it recognised the moment on 9 September 2015 when Her Majesty The Queen had reigned for 63 years, 7 months and 3 days to become Britain's longest reigning monarch. The Queen's Walkway will help you explore this historic town with its theatre, churches, parks and gardens, elegant residential streets, many historic monuments, railway stations and the River Thames. Pick up a copy from the Royal Windsor Information Centre,

download it at [windsor.gov.uk/queens-walkway](http://windsor.gov.uk/queens-walkway) or scan The Queen's Walkway QR Code (left).

SITUATED JUST ACROSS THE RIVER from Windsor via a pedestrian footbridge, the town of Eton has a thriving community and diverse heritage. The Eton Walkway, a 2-mile/one-hour circular walk, connects 18 points of interest in the town starting at Windsor Bridge. Permanent bronze markers are set in the ground to identify the route of the Walkway and use Eton's coat of arms, originally given to the town by King Henry VI in 1449. Pick up a copy from the Visit Eton Information Centre, download it here [windsor.gov.uk/eton-walkway](http://windsor.gov.uk/eton-walkway) or scan the Eton Walkway QR Code (right).
